# AX-HA-STD Pipette Hanger for the MPA Series Pipette Instruction Manual

1. Using the hanger

This pipette hanger is used to store the MPA series of electronic pipettes.
It can be mounted to where you want to keep your pipette, such as a wall, desk, rack, etc.

Note: Be sure to stick the double-sided tape to a clean, flat surface.

Stick the double-sided tape on the backside of the hanger to secure it to a wall.

Pipette Hanger

Remove the liners of the double-sided tape.

Stick the double-sided tape on the underside of the hanger to secure it to a desk or rack.
