

A&D Connect

Easy-to-use app, a solution for better accuracy

Monitor your blood pressure and track your weight and BMI trends – all with one app from a trusted world-wide leader in connected health. A&D Connect guides you through the easy device set-up process and provides at-a-glance results, goals, and trends for you and sharing data with your family and doctors.

Available on iOS 6.0 and above iPhone 4S or newer, iPad Air, iPad mini

Requires Android OS version 4.4 and above. For compatible smartphones, please check WellnessConnected™ website

Digital Blood Pressure Monitor UA-651BLE

Precision Health Scale UC-352BLE

Precision Digital Thermometer UT-201BLE

Technology You Can Trust

Reasons to choose A&D Medical

Long history of innovations

A&D Medical has continued to be the leader in blood pressure monitors with innovative technologies for over 30 years. A&D Medical provides a range of medical and healthcare products which assures accuracy and ease-of-use.

Professional technology and clinical validations

A&D Medical thinks "Accuracy" should be of prime importance in using blood pressure monitor regularly as a medical device. Our UA-651BLE has been evaluated for measurement accuracy according to European Society of Hypertension International Protocol revision 2010.
