Nederlands Meetinstituut

OIML Member state
The Netherlands

OIML Certificate N° R76/1992-NL1-06.10

Project number 506555

Page 2 of 2

This Certificate attests the conformity of the above identified type (represented by the sample or samples identified in the associated Test Report, the type-approval certificate and the description with number T6919 and the appertaining documentation folder) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R76
Edition 1992 (E)
for accuracy class **I**

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by the results of tests and examinations provided in the associated Test Report:
N° R76/1992-NL1-06.10 that includes 37 pages.
